LOCAL DEMO ONLY - NO REAL TEST RESULTS

Sample Batch Document

This fictional file demonstrates how a customer opens an available report from the Testing & COAs directory. It is not issued by a laboratory and is not evidence of product identity, purity, safety, or suitability.

Preview references

Product	Local demo batch	Preview status
5-Amino-1MQ	DEMO-LOCAL-156	Report Available
GHK-Cu	DEMO-LOCAL-27	On File
KLOW Blend	DEMO-LOCAL-110	Archived

No analytical measurements are provided.

Laboratory: not applicable. Test methods: not performed. Purity and identity: not measured. These statuses demonstrate website workflow only.

Before staging or production

Restore the original local product fields and exclude this file from migration. Only associate approved real reports with the matching product and actual batch/lot identifier. Do not publish or rely on this sample as a real COA.
